"Críticas "**Haunting**, atmospheric, and immersive."--Bustle "Nothing short of both haunting and **mesmerizing** . . . a perfect step into escapism and away from real life."--Hypable "It's a **fairy tale**, a young-adult **romance** (though **gothic** enough for adult readers) and a whodunit too."--The Wall Street Journal "**Chilling** and **atmospheric**."--Laura E. Weymouth, author of *The Light Between Worlds* Evocative details and **lyrical, moody** prose . . . a richly conceived story that blends mythic and Gothic storytelling."--PW "The novel's vivid, evocative atmosphere **will please fans of the gothic . . . chills aplenty**."--The Bulletin "Equal parts **gothic fairy tale** and romance . . . **compulsively readable**."--SLJ "This moody maritime retelling of *The Twelve Dancing Princesses* blends elements of suspense and horror for a gothic twist on a familiar tale. A memorably built world populated with a **hauntingly doomed** family."--Booklist Reseña del editor "**Step inside a fairy tale.**"--**Stephanie Garber, #1 New York Times bestselling author of *Caraval*** Get swept away by the *New York Times* bestseller that **Melissa Albert, author of *The Hazel Wood*, calls "eerie" and "lovely."** As one by one her beautiful sisters mysteriously die on their isolated island estate, **Annaleigh must unravel the curse that haunts her family. Be careful who you dance with...In a manor by the sea, twelve sisters are cursed.** Annaleigh lives a sheltered life at Highmoor with her sisters and their father and stepmother. Once there were twelve, but loneliness fills the grand halls now that four of the girls' lives have been cut short. Each death was more tragic than the last--the plague, a plummeting fall, a drowning, a slippery plunge--and there are whispers throughout the surrounding villages that the family is cursed by the gods. Disturbed by a series of ghostly visions, Annaleigh becomes increasingly suspicious that her sister's deaths were no accidents. The girls have been sneaking out every night to attend glittering balls, dancing until dawn in silk gowns and shimmering slippers, and Annaleigh isn't sure whether to try to stop them or to join their forbidden trysts. Because who--or what--are they really dancing with? When Annaleigh's involvement with a mysterious stranger who has secrets of his own intensifies, it's a race to unravel the darkness that has fallen over her family--before it claims her next. House of Salt and Sorrows is a spellbinding novel filled with magic and the rustle of gossamer skirts down long, dark hallways. Get ready to be swept away." "**An eerie, lovely Twelve Dancing Princesses retelling full of ghosts and gods and a fascinating waterfront world and I'm reading it from behind my fingers.**"--**Melissa Albert, New York Times bestselling author of *The Hazel Wood*** Biografía del autor Erin A. Craig has always loved telling stories. After getting her BFA in Theatre Design and Production from the University of Michigan, she stage managed tragic operas filled with hunchbacks, séances, and murderous clowns, then decided she wanted to write books that were just as spooky. An avid reader, decent quilter, rabid basketball fan, and collector of typewriters, Erin makes her home in Memphis with her husband and daughter. erinacraig.com@Penchant4Words on Twitter and Instagram".
